Workplace Based Training and Simulation

VET students are required to undertake about 56 hours of workplace-based training and simulation within a registered and approved aged care centre prior to work placement.

Mandatory Vocational Placement

VET students are required to undertake a minimum of 120 hours of vocational placement within a registered and approved Community Services service. This must occur after the VET student has satisfactorily completed all the other units/subjects in this qualification.

During this time, the students are required to complete a skills workbook.

VET students have the option to:
- Source their own Vocational Placement providers (Integrity RTO Solutions to check suitability) or
- Have Integrity RTO Solutions assist them in arranging Vocational Placement providers near their area

Integrity RTO Solutions will continuously look for and form partnerships with Aged Care providers in the Northern Territory and in other states in the future.

Integrity RTO Solutions will provide VET students a Vocational Placement Pack that outlines all the requirements for finding a suitable Vocational Placement provider that will facilitate the required workplace assessments and allow the student to complete the required vocational placement hours.
- The Trainer/Assessor will travel from QLD to the workplace arrangements of the student in NT to deliver face-to-face and workplace assessments.

VET students are recommended to initiate contact with potential vocational placement providers as soon as enrolment is confirmed to allow sufficient time for Integrity RTO Solutions to confirm the workplace's safety and suitability.

Course Units

Comply with infection prevention and control policies and procedures (HLTINF006)

VET students must attend the online training session for HLTINF006 and complete the knowledge assessment before they go on vocational placement. Practical assessment tasks are to be completed during vocational placement.
